The following resolution was approved by the Board of Trustees of the Pearl River Public Library.

Regarding qualifications for NYSHIP (New York State Health Insurance Program) retiree coverage:

Union employees will follow the union contract. Currently, employees who participate in NYSHIP may continue coverage as a retiree after twenty years of service (or fifteen years of service if older than 70 years of age) when they retire.

Nonunion employees who participate in NYSHIP may continue coverage after they retire if they have 14 or more years of service and are past the age of 65.

All employees will be responsible for fifty percent of the individual cost and for families the retiree will be responsible for fifty percent of the individual cost and sixty-five percent of the dependent cost.
